# CUDDLY CRITTERS

At *Knit Today* we've long been fans of Louise Walker, so we were chuffed to dive into her amazing new book. *Faux Taxidermy Knits* features 15 patterns in her distinctively wild style, with whimsical wolf and raccoon hats, sweet bear mug rugs, and a cheeky door-stop mole who thankfully won't ruin your flower beds! Louise said: "I could never bring myself to own a real trophy animal head or touch a real mink stole, but knitting my own representations of them allowed me to delight in these things in my own way."

We're not fans of real fur either, but if it's fake and it's fun, we say yes please!

♦ See issue 95 of *Knit Today* for an incredible stuffed deer head pattern by Louise (pictured top right). *Faux Taxidermy Knits*, £14.99 (David & Charles) is out now.

## SHETLAND SCHOOLING

When knitting classes were dropped from Shetland schools it provoked an outcry from islanders who knew how important it was to local culture. Now a group of knitting fans are taking the craft direct to the islands' youngsters. The organisers of Shetland Wool Week, the UK's most northerly yarn festival, are offering 'bairns' knitting classes throughout the year.

Selina-May Miller, Shetland Wool Week Coordinator, said: "It's so important that we preserve the heritage of Shetland and ensure that the skills of our talented knitters are passed down to the next generation.

"We have a great line up of class tutors who are all really passionate about Shetland wool and knitting."

Tutors for the first set of classes are Nan Smith and Rosalynn Fraser. Nan has many years experience in knitting, having previously taught knitting in schools such as Quarff, Cunningsburgh, Sandwick and Sound. Rosalynn started knitting when she was five years old and now runs her own very popular business RoLo, where she produces beautiful textile products. Tutors for the second set of classes are Sandra Manson, pictured here with some of the Isles' young knitters, and Ella Gordon. Classes are every Sunday in Shetland Museum and Archives.

## Shed loads of hats!

An amazing 700,000 hats have been made for this winter's Innocent Big Knit. That's a shed load of hats, excuse the pun, all in aid of a brilliant cause. Innocent donates 25p to Age UK for every hat received, which helps older people keep warm in winter. By our maths, UK knitters have helped raise £175,000, which makes us feel warm and toasty inside. The deadline for hat donations has passed but you can still support the big knit by parting with some change. Text Knit to 70004 to donate £3 and find out more at [www.thebigknit.co.uk](http://www.thebigknit.co.uk).

## top of the shops

### ASHLEY'S TRADITIONAL WOOL SHOP, CIRENCESTER

We chat to owner, Hazel, about her brilliant yarn haven.

#### Tell us a little about Ashley's...

Ashley's was started by my mother in 1952. It is now run by myself, Hazel, and my daughter, Katie, and ably assisted by Tracy, who is just as mad on knitting as we are! Katie has just given birth to the fourth generation 'Ashley', Zea.

#### What makes your shop special?

Our shop is our world, and we are lucky to have such friendly customers. As Cirencester is a popular tourist destination we get to meet lots of new knitters too! Every day we try to make people happy; knitting should be fun. We don't run set courses, but we teach as we go along. We sort out pattern questions and show people 'how to' when needed.

#### What are your most popular yarns at the moment?

We stock most brands, and although the shop floor is not large, we have four stockrooms, full of goodies! James C Brett Rustic Mega Chunky has been doing really well, especially with younger knitters, and Sirdar Crofter is always popular as each garment is unique.

#### Do you have a favourite yarn?

We like everything we stock, and will never sell anything we wouldn't be happy to knit with ourselves. We try to give customers what will work best for them, and we can usually meet our customers' demands!

#### What are you knitting now?

We design all sorts of garments and projects, which are easy for new knitters to follow, and experienced knitters to get their teeth into! Our super chunky gilet kit has been our top seller this winter, and King Cole's 'must have' hedgehog pattern has been really popular.

#### What do you like best about your job?

I just love designing easy-to-follow, stylish projects for people. It's fantastic when they come in and proudly show us their finished work. Especially when they are new to the world of knitting. The three of us love designing.

#### What keeps people coming back to your shop?

Our shop is never very tidy, but we don't mind customers digging in and finding inspiration! We want customers to feel at home and happy, not scared to touch anything!

# NEW YEAR, *new yarn!*

*It's never too early to think about new yarn!  
This spring sees releases from all our favourite  
spinners. Read on for the juicy details!*

## DEBBIE BLISS

Tape yarns are making a comeback and Debbie Bliss Delphi is one of several new for 2015. Many tape yarns are high in nylon, but this is a 100% pure cotton. It knits up on 8mm needles, making an open fabric which shows off its unusual structure beautifully. Delphi comes in 12 tonal shades and runs to 50m per 50g ball. Building on the success of Debbie Bliss Eco Baby, is Eco Baby Prints. This organic cotton has five tonal shades and five multi colours, and the light, fresh palette is perfect for spring, which also sees the relaunch of Rialto DK Print with a new booklet of designs for six to ten year olds.

## LOUISA HARDING

This season Louisa Harding launches a classic DK weight yarn which is sure to be popular. Cassia is 75% wool, 25% nylon for extra strength. Azalea is a splash-dyed pure cotton DK with 12 shades, which comes in 100g balls. Louisa has designed a range of pretty, feminine patterns to let it shine. Anise is our favourite though. It's a cotton tape with a difference, made up of the kind of edging produced by an overlocker. Each colourway changes shade from section to section, with two contrasting tones in each. Hard to explain, but exciting to knit with!

Clockwise from top left: Louisa Harding Anise, Debbie Bliss Eco Baby Prints, Debbie Bliss Delphi, Louisa Harding Cassia, Louisa Harding Azalea

### ARAUCANIA

Araucania are known for their beautiful, variegated colourways, and luxurious fibres. Their new yarns

Nuble and Curaco are no exception, both hand-painted to striking effect. Curaco is coloured with a spray of shades, giving a look that's straight off the high street. It's a chunky superwash pure wool and you get 75m in a 100g skein. Nuble is a merino/silk single ply yarn with a high yardage of 250m per 50g, making it great for light accessories.

4

### JUNIPER MOON

With a big following in the US for their ethically-sourced yarns, Juniper Moon

Moon have now come across the pond, bringing lots of treats for UK knitters! If you love knitting shawls, try Findley, a 50/50 mix of silk and merino wool that runs to a whopping 730m per 100g ball – just the thing to wrap yourself in. Also available in the UK are Herriot Heathers, a pure alpaca DK in subtly marled shades, and Moonshine, an alpaca/wool/silk blend with fibre sourced from Peru. All three yarns have at least 20 shades to choose from, ranging from muted to jewel bright.

5

### ELLA RAE

Also imported from the US, Ella Rae yarns will be available in four lines and offers great value. Cozy Soft and Cozy Soft Prints are heavy DK yarns which knit up into a smooth, sheeny fabric. Phoenix DK is a pure cotton, which comes in 24 colours. We think it would be fabulous for crochet, as would Cozy Bamboo, which has a lovely range of soft colours perfect for super-cute baby knits.

Clockwise from top left: Araucania Curaco, Stylecraft Malabar, Ella Rae Phoenix DK, Ella Rae Cozy Soft and Cozy Soft Prints; Juniper Moon Farm Findley, Herriot Heathers and Moonshine, Araucania Nuble

## 6 STYLECRAFT

Stylecraft are turning on the luxury for spring with Malabar, a cotton yarn with a generous touch of silk.

We've shown it here in our early look first sample, a 50g ball, but it will normally be a 100g ball, with 165m at an aran weight. We love that it's machine washable. It comes in 12 fresh colours, including Jade (shown here) and a bold orange called Mandarin that would be great for kids. Stylecraft have also released new shades in their ever popular Classique Cotton.

## 7 YARN STORIES

The new kid on the block, Yarn Stories launched last autumn with a single pure merino yarn (in DK and 4ply)

with an impressive 20 shades. The new year saw a new merino/alpaca yarn in DK and aran weights and they are now on their third major release, adding a silk/merino yarn to their stable. We've seen an early sample and it's lovely stuff. Shown here are balls of their merino and alpaca yarns in available weights.

## 8 SIRDAR

There's a trio of new yarns from Sirdar this season.

Recently released was Cotton 4ply, which arrived complete with a booklet of vintage inspired designs. This is a super-sheeny mercerised cotton, which comes in ten spring-friendly shades. A little goes a long way, at 335m per 100g ball. Beachcomber is a fun new pure cotton yarn with a soft thick 'n' thin wave. It's available in six solids, a cream and a white, and some four fab mixes, each with grey, white and a bright tonal. Most striking is Catch the Sun, which is shot through with fluoro limey-yellow. Cotton Rich Aran, a cotton/ acrylic mix, rounds out the group. With eight, mostly nautical colours and a seaside inspired pattern collection to complement it, this is an instant classic for spring and runs to 200m per 100g ball.

## SUBLIME

Sublime Yarns has always carried a small range of carefully chosen yarns. This spring they release just one new yarn, but it's a beauty. Sublime Cotton Silk DK is a classic DK weight, which comes in eight selective colours chosen with smart garments in mind. We like Grey Glaze, a soft shade of dove, and Elodie, a bright cerise. It runs to 125m per 50 ball and is 75% cotton, 25% silk.

## HAYFIELD

Traditionally a budget range, Hayfield attracts a loyal following thanks to its consistency and wide colour ranges. This spring sees the launch of Hayfield Baby Sparkle DK. At 97% acrylic with a touch of sparkly poly fibre you can machine wash it without fear. One of our favourite things are the names of the eight shades, which include Fancy Pansy, a rich dark purple, and I Lilac Your Style, which speaks for itself! Hayfield Fiesta DK is a new bamboo/acrylic blend, available in a range of neutrals and brights. There are some fab pattern leaflets to go with it, which really go to town on showcasing its bolder colours.

**Fair Isle knitting** is great for a project like these pretty ice-blue wristwarmers. Using two colours per row or round, you always across the back of your work, and this extra layer makes your knitting doubly warm.

The cool blue and white shades used here are absolutely gorgeous and complement perfectly this season's popular charcoal grey colour schemes.

## ODD SOCKS

I thought your readers might be interested in seeing my latest pair of socks. I had already knitted two pairs and was wondering what to do with the leftover sock yarn. My daughter said that odd socks are on-trend right now, so this is what I created from a free pattern on Ravelry. I can't wait to start wearing them. What do you think?

**Linda Rumsey, Bury St Edmunds**  
**Charlene says:** These are fantastic! I love the bright colours. And I'm glad to hear odd socks are now in – I'm sure a lot of other people will be, too. I can now match up all the odd ones in my drawer with complementary colours! Well done on boosting the trend.

Sandra's slippers took two nights!

There's loads of inspiration for knitting for kids at [www.knit-today.com](http://www.knit-today.com)

## HAPPY FEET

Here's a picture of my latest creation – a pair of slipper boots to keep my feet warm this winter! I found the pattern in a brilliant book called *Sarah Hatton Knits 10 Simple Projects For Cosy Homes*. I used one ball of Rowan Big Wool and it was so quick and easy. I managed to create one

slipper one night and then made the other the next night.  
**Sandra Jeffrey, Sunbury**  
**Beth says:** Oh, they do look cosy! And it's good to hear that they didn't take you long. These would make great presents – will you be asked to knit up a few more I wonder after modelling them around the house?

## Artesano star letter

### HELLO, FOXY!

I've knitted Foxy Loxy and his two chicks! My mum lives on a smallholding and Mr Fox has just eaten all her chickens,

so I thought I'd knit her a few chickens and a nice friendly fox that won't eat them.  
**Joanna Kelland, by email**  
**Rosee says:** I'm sorry to hear your mum lost her chickens to a fox. But these are a cute compensation. They look like they'll live in harmony together – if only they could in real life!

## PET SITTING

This is my latest knit – I call him Sid The Sloth. My mum-in-law sent me a complete set with everything I needed inside to make him, even the eyes and nose. He now takes pride of place on the couch.

Linda Plows, Peterhead

Charlene says: You've proved you're not reluctant to work – although we can't say the same for the sloth! I'm sure he'll enjoy lazing about on your sofa.

## IN THE PINK

I just finished my first jumper from a Panda Yarns pattern – this woman's classic jumper with polo neck. It's a tad warm to be wearing it at the moment here in Sydney, Australia, but I'm so pleased with my effort I had to put it on. It only took me three months to make.

Celina Marscham, Sydney

Rosee says: I love the style you've chosen, Celina – so chic. As polo necks are the hot new trend I bet you can't wait for winter now so you can wear it out and about. It's certainly cold enough over here!

### CUFF

Using 2.5mm needles, cast on 66 (70:74) sts. Join to work in the round, being careful not to twist.

**Rounds 1 to 10:** P1, k2, p1 (1:2), k2, p1 (2:2), k2, p2, (k2, p1) four times, k2, p2, k2, p1 (2:2), k2, p1 (1:2), k2, p2, k2, p1 (1:2), k2, p1 (2:2), k2, p2, (k2, p1) twice, k2, p2, k2, p1 (2:2), k2, p1 (1:2), k2, p1.

Repeat Round 11 for pattern. Continue to work in pattern until sock measures 16cm from cast-on edge. Sample shown has eight full repeats of cable pattern.

### HEEL

P1, k1, turn.

**Row 1:** S11 pwise, work in pattern across 33 (35:37) sts, turn. 34 (36:38) sts.

**Row 2:** S11 pwise, work in pattern across 33 (35:37) sts, turn.

Repeat these two rows 12 (13:14) more times. 26 (28:30) rows in total.

**Next row:** S11 pwise, P18 (20:20), p2tog, p1, turn.

**Next row:** S11, k5 (7:5), ssk, k1, turn.

**Next row:** S11, p6 (8:6), p2tog, p1, turn.

**Next row:** S11, k7 (9:7), ssk, k1, turn.

Continue in this way until all the sts have been used up.

### GUSSET

Resume working in rounds as follows:

**Next round:** Pick up and knit approx 15 (16:17) stitches down left side of flap, place marker (M1), work across top of foot in pattern, place marker (M2), pick up and knit approx 15 (16:17) stitches up right side of flap.

You should pick up one stitch in every slipped stitch down the sides of the heel flap, then one extra stitch at the join between the heel and the instep stitches. This reduces the likelihood of a hole appearing at this join. It doesn't matter if the exact number you pick up is different to the

numbers given above, as long as you pick up the same number on each side.

When knitting the next round, (FOR THIS ROUND ONLY), knit the stitches that you picked up at each side of the heel flap through the back loop. This tightens them up and avoids holes in the fabric. For all further rounds, knit these stitches normally.

**Dec round:** K to 3 sts before M1, k2tog, k1, work across top of foot in pattern to M2, k1, ssk, k to end.

**Plain round:** Work in pattern.

Repeat these two rounds until 34 (36:38) sts remain on sole of foot.

Remove markers (you may wish to keep a marker for the start of round).

Continue to work in pattern

until foot measures approximately 4cm or 1½in less than the desired length.

Finish with Round 3 or 7 of cable pattern.

**Next round:**

Work in pattern as normal, but when you come to the cable stitches, work CLdec or CRdec in place of the normal cables (this reduces the stitch count on the top of the foot). Finish 2 sts before end of round. This marks new start of round.

## TOE

**Next round:** K1, ssk, k24 (26:28), k2tog, k1, pm, k1, ssk, k to 3 sts before end of round, k2tog, k1.

**Plain round:** Knit.

**Dec round:** K1, ssk, k to 3 sts before marker, k2tog, k1, pm, k1, ssk, k to 3 sts before end of round, k2tog, k1.

Repeat these rounds until 20 (24:24) stitches remain. If you are working with DPNs, distribute the remaining sts over two DPNs and work with a third. There should now be 10 (12:12) sts on each needle tip. Now, 'cast off' 1 stitch at the end of each needle, lifting the very end stitch over the one next to it, then off the needles. This helps to avoid the ends of the toe sticking out in little points once the sock is finished. Graft the remaining 16 (20:20) sts using Kitchener stitch, then weave in all ends. 

The cabling on these socks creates a perfect fit around the calf for extra comfort and warmth

## Studio Pullover

MAGPIES, HOMEBODIES & NOMADS (CIRILIA ROSE, £16.99)

Certainly a bold style statement, this striking sweater is inspired by Cirilia's love for wool, pure and simple. The knitted sweater is beautifully designed with saddle shoulder sleeves, but in this instance is merely the backdrop for the explosion of heart-shaped colour at the centre of the front. The heart is created from oddments hooked into the fabric of the sweater to form a gorgeously tactile focal point.

**Rows 1 and 3 (RS):** Purl.

**Row 2 & every alt row:** Work sts as they appear.

**Rows 5 & 7:** P1, 2CR, \* p8, 2CR \*, rep from \* to \*, ending with p1.

**Row 9:** Purl.

**Rows 11 & 13:** P6, 2CR, \* p8, 2CR \*, rep from \* to \*, ending with p6.

**Row 1 (RS):** K2, \* p2, k2, rep from \* to end.

**Row 2 (WS):** P2, \*k2, p2, rep from \* to end. These 2 rows form 2x2 rib.

Cont until work measures 5cm or 2in. (10 rows).

**Change to 6.5mm needles.**

Cont in pattern st, following the chart.

After row 36 of the chart has been worked, change to 5.5mm needles and cont in 2x2 rib for 10cm or 4in (20 rows). Cast off.

### MAKING UP

Sew seam, stitching last 5cm or 2in on RS to allow for cuff at top of legwarmer to be turned back.

With 4 strands of B, make a cord 70cm or 27½in long. On WS of work, 2.5cm down from the top, slip cord under 2 k sts, over 2 p sts, under 2 k sts, over 2 p sts, all way round.

With B, make two 6cm (2½in) tassels as follows: Wind yarn around cardboard to desired thickness. Tie strands along one side of cardboard and tie a knot securely.

Remove cardboard. Using yarn double, wrap tightly below top knot

to secure strands. Hold firmly and thread ends

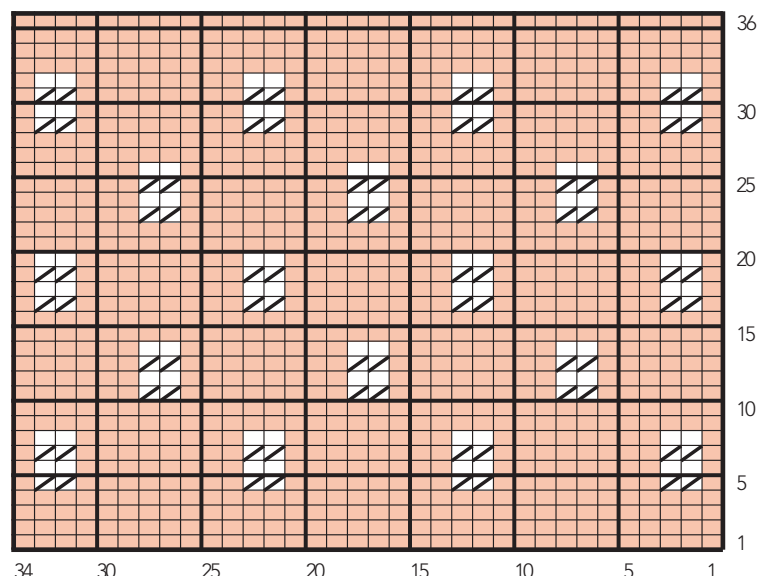

onto wool needle. Pull end to centre of tassel and clip close to tassel. Trim the lower edge. Attach a tassel to each end of the cord.

Secure and weave in all ends.

# SIMPLE STEPS TO GETTING GREAT *cast ons*

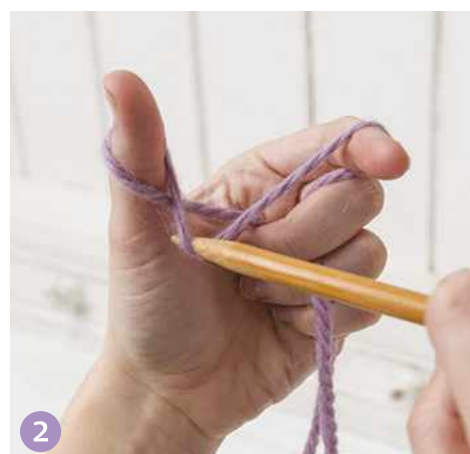

Using a cast on suited to your project is one of the easiest ways to create a better finish for your knitting. Here are a few of the most useful. By *Rosee Woodland*

When you learnt to knit, the chances are you were shown the knitted on, backwards loop or thumb cast ons, and then stuck with them for years! There's nothing wrong with using a simple cast on but sometimes a simple tweak can make all the difference. If you find you cast on too tightly, try going up a needle size. For cast ons that use a single needle, bamboo needles can be handy as the yarn sticks to them more easily. If you find your cast ons are too 'baggy' knit into the back of the loops on your first row only – twisting the stitches will make them tighter and neater.

1 Pull out a length of yarn at least three times the length of your finished cast on. Loop it over your thumb and forefinger with the cut end of the yarn hanging from your thumb and grab both ends with your left hand, as shown.

2 Take a knitting needle in your right hand and press the tip down so that the top loop moves below the yarn ends you're holding in your left hand. Don't hold the yarn too tightly as you want it to flow through your fingers.

3 Having picked up your first loop, bring your needle up through the loop made by the crossed yarns on your left thumb.

4 Move the needle towards the loop on your left index finger. While doing this, hold the first loop you made on the needle steady with your right index finger, as shown.

5 Use the needle tip to grab the loop on your left index finger and pull it through the loop on your thumb. Make sure you're still holding both ends of the yarn in your left hand.

6 Pull both strands held in your left hand gently with your thumb and forefinger. This will create your first loop. Now repeat from step 2 for each subsequent stitch.

TURN  
OVER FOR  
MORE GREAT  
CAST ONS

**7** The finished long tail cast on creates a lovely neat edge that has a decent amount of stretch to it, making it a good choice for hats and socks. You can treat the first cast on row as your first RS row as it is a full stitch deep.

**1** Cast on two stitches as normal, then place the tip of your right needle between the two stitches on your left-hand needle. Make sure your needle tip hasn't gone through either of the stitches on your left hand needle.

**2** Wind the yarn around your right-hand needle as if you were knitting a stitch as normal.

**3** Pull the stitch you've created through the hole between the two stitches. It can help to hold the yarn tail in your left hand to keep everything nice and stable.

**4** Pull the loop you've made up and onto the left needle. As it is coming 'out' of a gap between the first two stitches it will be at a slightly different angle from the stitches before it. Repeat from step 2 for each new stitch.

**5** The finished cast on is stretchy, neat and ends so that the right side of the work is facing you for the next row. If joining to work in rib in the round it's easier to purl, rather than knit the first and last stitch of the cast on together.

**1** This is a neater variation of the backwards loop cast on and is great for adding stitches in the middle of a row. Start with a slip knot on your right needle and place the working end of the yarn over your left hand, as shown.

**2** Take your needle tip and bring it under the yarn secured by the second and third fingers on your left hand. Then push your needle tip downwards over the yarn loop secured by your thumb and forefinger and pull it towards you.

**3** Twist your right-hand needle to the left and then up again and to the right, and you'll end up with three loops of yarn – two on your fingers, as shown, and one on your needle.

Drop the loop on your left index finger first and then pull the loop on your thumb towards you. This will feel very loose and a bit unfamiliar, but go with it!

With this cast on it feels like the stitch almost comes out of nowhere! Repeat the process from step 1 for each new stitch. It takes a bit of practice but this is a really fast cast on once you've got the hang of it.

This cast on has a neat firm edge. Like the backwards loop cast on it has a lot of stretch, but it feels more under control. It's great for buttonholes, too!

Start with a single slip knot on your left-hand needle. Holding the slip knot stable with your left hand, take your working yarn from back to front over the needle, creating a yarn over.

Hold the working yarn stable with your right hand. If the stitch twists around the needle just move the slip knot back to the underside of the left needle and hold in place again.

Take your right-hand needle and knit between the two loops created, similar to the technique used for your cable cast on.

Pull the loop you've just made through the two stitches, remembering to hold the working yarn stable in your right hand.

Place this new stitch onto your left-hand needle. You should now have three stitches. Repeat from step one, working a new yarn over before knitting in between it and the last stitch. You will make two stitches each time.

This cast on has an attractive looped edge that adds a special touch to lace projects. It can only be used for an odd number of stitches, so if you need an even number then drop your first slip knot off on the first row.

## FRONT DECORATION CORDS (MAKE 2)

Using double-pointed 10mm needles and B, cast on 3 sts.

**Row 1 (RS):** K3, \*without turning slip these 3 sts to opposite end of needle and bring yarn to opposite end of work pulling it quite tightly across WS of work, knit these 3 sts again, rep from \* until cord is approx 350 (360:370:380:390) cm long.

Do NOT break yarn but slip these sts onto a holder.

Thread cord in and out of eyelet holes of patt on one front as folls:

Each complete rep of patt has 4 eyelet holes – eyelet nearest armhole/side seam edge is eyelet A, next eyelet towards centre is eyelet B, next eyelet is eyelet C, and eyelet nearest front opening edge is eyelet D. The first band of eyelet holes (at top of rib) has eyelets B and C only, and last rep of patt row 6 (near shoulder) has eyelets A and D only.

Bring cord through to RS of work through eyelet D nearest to shoulder seam. Now take cord back through to WS through eyelet C of rep directly below,

bringing it back through eyelet D of this rep. Cont in this

way to top of rib – this rep does NOT have eyelets A or D. On this rep, bring cord back through to RS through eyelet B.

Now work up other side of patt, taking cord through to WS through eyelet A, bringing it back up through eyelet B, and ending by taking cord through to WS through eyelet A nearest shoulder.

Adjust length of cord as required (by either knitting a little more or unpicking a few rows), ensuring cord is not pulled too tight, and cast off the 3 cord sts. Secure ends of cord on inside.

In same way, make and thread cord through eyelet holes of other front. 

## Purl OF WISDOM

To give your jacket a different look, you could buy a length of thick cord or ribbon to thread through the eyelets instead

KNIT TODAY PATTERN

# Weekend warmer

This chunky knit with cool colourwork is perfect for his weekend wardrobe.

By **Todd Gocken**

“When you’re knitting for a man you need a design that’s and strong and durable. This sweater is just the thing.”

CHARLENE,  
ART  
EDITOR

**This cosy knit**, with its heavyweight yarn and front zip, is guaranteed to become an essential in his winter wardrobe. The colourwork is done flat, rather than in the round, but with just 10 wrong side colourwork rows, you’ll enjoy every stitch. This pattern uses a provisional cast on. The easiest option for this is to crochet a chain and then knit into it. It’s easy to undo later and then pick up the stitches. Alternative, knit a few rows in waste yarn first, which you can cut away when you need to pick up stitches.

# DIARY OF A *knitting group*

We catch up with Aneeta and find out how the members of Knitting SOS have been getting on...

**I'm Aneeta. I am a knitting teacher and author based in East London. I also run a monthly knitting group called Knitting SOS.**

**Knitting SOS is an online service knitters can use for their knitting questions, but I wanted to have a real live group too so that people could come together with their crafting and queries. I'm a firm believer in the joy of crafting with others and the monthly, free, drop-in Knitting SOS group is one of my favourite activities of every month!**

In honour of National Knitting Week and Wool Week, we had a bumper session of Knitting SOS with about 20 knitters joining me at our café knitting group.

It's really great to see knitting so popular; there was a huge amount of concentration and chit chat going on!

Top marks for distance travelled go to Knitting SOS devotees Clare and Ruth, who came all the way from Cardiff for a knitty weekend. They spent Saturday at the Knitting & Stitching Show at Alexandra Palace and Sunday with the SOS-ers. Clare is following the Fair Isle workshop in *Knitty Gritty - The Next Steps* to work out her own pattern for a Christmas baby jumper and new knitter Ruth is tackling her 1x1 rib for a hat border. I was so excited to see them and I hope to keep in touch with Knitting SOS's Cardiff branch!

Whilst we're on the subject of distance, Benjamin not only came from the other side of London, but he cycled the 28km in fabulous full Sky team kit! Ben was working on snug ribbed hats in the round. He says that the day combined his three favourite things: cycling, knitting and coffee. The

regulars were all very impressed!

Laura is brand new to knitting and brought along this amazing ultramarine super bulky yarn from Wool and the Gang (best name for a knitting shop ever!) In the space of one session she learned how to cast on and knit an amazing amount of her scarf. I say it again and again that every knitter's first project should be a chunky scarf... it's perfect for learning new skills and gaining the satisfaction of a speedy first project.

**One of the things I love about a *knitting group* is how *inspiring* it is**

Kate from the local Age Concern joined us to warm up her skills in knitting some little hats to raise money for the local branch of this charity. She's showing amazing dedication to her work by putting in the extra time on weekends and learning to knit at the same time! Look out for these adorable hats on drinks bottles this winter.

## ***Crafting together***

With so many of us here, this session was ALL about knitting! There were just so many exciting projects all around the room. One of the things I love about a knitting group is how inspiring it is to craft together and to see what everyone is working on. No matter how long you've been knitting there is always something new to fire your imagination! 🧶

# ask THE EXPERTS

Whatever your knitting or crochet query, our experts can give you a helping hand!

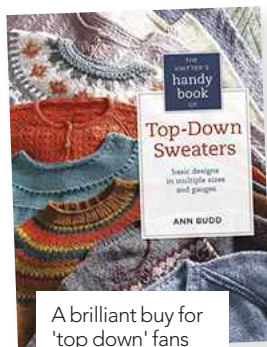

## TOP DOWN DEVOTEE

**Q** I've recently made a top down baby cardigan and I loved every stitch. I'd like to knit lots more – do you know where can I buy specific 'top down' patterns?

**Chris Lander, Weston-super-Mare**

**A Jo says:** Many knitters like knitting top down as it eliminates a lot of the seaming and is also very comfortable around the neck. My two favourite baby cardigan patterns use the top down technique – one has a round yoke and the other has raglan sleeves. If you buy *The*

*Knitters' Handy Book of Top Down Sweaters* by Ann Budd (£16.58, [www.amazon.co.uk](http://www.amazon.co.uk)) you will find all the information you need to make garments for all the family. The book advises you to knit a swatch in the yarn of your choice to

A brilliant buy for 'top down' fans

work out the gauge, which is most important, and then you look at the charts and choose the style and the project. There are five basic styles to choose from: round yoke, raglan, drop sleeves, set-in sleeves and saddle sleeves. The book also offers variations on the basic styles, with different types of yarn and pattern for you to make something really special. The hints and tips in the book are invaluable for any knitter, and the brilliant patterns ensure that you get a perfect fit every time.

Always add yarn on the same side to get perfect stripes

## IN A SPIN ABOUT STRIPES

**Q** I'm a beginner and I've learnt how to change colours to be able to stripe my knitting, but I'm getting a bit confused as to when I have to do this, and the right side and wrong side of my knitting keep getting reversed. Is there a way to tell when I should be changing colours?

**Polly Johnson, Shropshire**

**A Aneeta says:** Yes, this is a simple thing to do when you know how! When you are adding new yarn of the same colour you can add it to either side of your knitting; but when adding a new yarn of a different colour, it is better add it to the same side each time so that all your loose ends are on one side. If you always add it at the beginning of a right side (RS) row it should now be easy to tell which is the right side and which is the wrong side!

## ODDS AND ENDS

**Q** I hate throwing away leftover bits of yarn but I never use them for anything so

they are just taking up space in my yarn stash. Have you got any suggestions using them up?

**Steph Jenkins, Exeter**

**A Sarah says:** If you have loads of bits that are different weights, a good way to use them up is to make pom-poms. I like the colourful result using mismatched yarn gives you, too. Or, if you like knitting toys, you can use leftovers as stuffing. If you have a good amount of wool that's a similar weight and colours that match then make a stripy scarf – just sort the wool into colour groups first.

Yarn ends are great for pom-poms

## PATTERN PROBLEMS

**Q** I am knitting a hooded jacket for my baby granddaughter who's due soon. Everything was going great until my pattern said to pick up more stitches than cast off, to knit the hood. It said to pick up and knit 25 sts from the cast off 15 sts. How do I pick up more than one stitch from each cast off stitch?

**Annie Samuels, Falmouth**

Sometimes knitting can require creative counting!

**A** Aneeta says: This problem requires a bit of creative thinking! What I would do in this situation is pick up one stitch for every cast off stitch, then in the row you knit after the pick-up row, increase evenly across that cast off section so that you have the number of stitches you need to continue. Then, follow the pattern for the rest of the hood.

A fab iPad cover from *Knit Nordic*

#### GIFT FOR THE BIRTHDAY BOY

**Q** Hi, it's my boyfriend's birthday and I'd love to knit him an iPad cover – can you recommend a pattern?

**Charlie Watkins, Nottingham**

**A** Sarah says: If you haven't signed up to Ravelry.com yet then there are lots of iPad cover patterns on there that I think you'll like. Or alternatively, the book *Knit Nordic* has a lovely design in it. Buy it for £13.59 from [www.amazon.co.uk](http://www.amazon.co.uk).

#### FOXED BY INTARSIA

**Q** I'm knitting a fox hat for the Innocent Big Knit and there's a small section in the pattern that needs to be intarsia or Fair Isle. I'm unsure which is which. Can you help?

**Ruth Whitehall, Wiltshire**

**A** Aneeta says: Intarsia is colour changes in large blocks of colour. You cut the yarn into bobbins, as it won't carry across the back of the knitting. Fair Isle is small patterns of colour, no more than 6 sts. You work the colours across the row so there's no need to cut the yarn. You could knit the fox tummy intarsia style, as there's only one section of contrasting colour per row or round. However, an even easier technique would be to Swiss darn (embroider) the white stitches on after knitting the hat.

Try Swiss darning for small areas of colour

## KNITTING FOR LITTLE ONES

*The team shares tips on fabulous knits and tricks for children and babies*

#### FINISHING TOUCH

**Q** I make all my granddaughter's knitted clothes and love knitting with self-patterning yarn, but I find it annoying when the fronts of cardigans don't match – how can I make clothes look better?

**Mandy Baker, Hampshire**

**A** Jo says: There are a few things you can do when making a cardigan, such as always making sure you start each side of the front in the same section of the self-patterning yarn. I always buy an extra ball when I'm knitting with this type of yarn, and I use the remainder to make a matching hat on circular needles. Working the whole body of the garment on circular needles ensures a better look, but you do have to remember to start in the same section of yarn for the sleeves. Working the pattern in stripes of self-patterning yarn and a plain yarn looks great and is also good for using up leftover yarn.

Although a lot of knitters like to keep the pattern regular, it is fun to have the pattern in different places, and this King Cole 4010 design shows how an offset pattern can look good. The pattern containing instructions for a tunic, cardigan, crossover cardigan and hat costs £2.99 from [www.deramores.com](http://www.deramores.com). The clothes are knitted in King Cole's new DK yarn, Cherish.

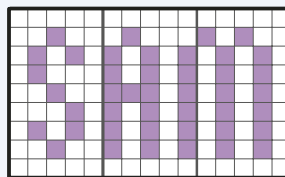

You'll love this King Cole baby pattern

#### KNIT A NAME

**Q** My sister has recently had a little boy called Sam and I want to knit him a hat with his name on in Fair Isle. Would you be able to chart me the name?

**Karen Jones, Cardiff**

**A** Sarah says: Of course! It's lovely to give personalised gifts to a newborn, although it can mean you have to wait until they have been born before you start knitting! If you don't know the child's name then you can always use duplicate stitch and add the name to a pre-knitted garment. The chart is above for you to use.

#### BOOTIE SOLES

**Q** I would really like to make my one-year-old niece some booties with soles. I think they would be a bit warmer and sturdier than booties on their own. How do I make them?

**Rachel Mitchell, Staines**

**A** Jo says: There are quite a few different ways to add soles to booties. You can buy suede elbow patches (used for patching jumpers and jackets) and sew them to the soles. Add them either over the whole sole, or just small sections at the back and front. This is very inexpensive and patches are widely available in most wool or cobbler shops. If you have any old felted jumpers you

could cut a couple of layers for each sole and use a Sharpie crochet hook to make holes through the felt and crochet the bootie onto it. Finally, you could go to [www.joestoes.co.uk](http://www.joestoes.co.uk) and buy ready-made soles; there are lots to choose from and for a baby I would pick the felt soles because she will be walking mostly indoors. They cost £2.95 a pair (for baby sizes) and there are eight colours to choose from, so you can have fun matching the tops to the soles. If you want outdoor soles, try the Vibram soles, which are very durable and cost £5.95 a pair.

Add colourful soles to booties

## 3 tips for getting good tension

Knit a tension swatch while sitting as comfortably and relaxed as possible, and in your usual knitting position.

Be consistent with how you hold your needles. Use the same method for all parts of a garment.

If you can't seem to get the tension right, try a different pair of needles. The yarn will slide more on metal ones.

### Pattern notes

Count turning chain as a stitch. Change colours at the start of each row, alternating colours A–F as you work each row.

### Safety note

Pompoms can come undone and the loose strands of yarn can present a choking hazard to babies and toddlers. Do not leave under-threes unattended with pompoms. If in doubt, leave them off.

### POMPOMS (MAKE 2)

Cut a 30cm or 11¾in piece of contrast yarn and set it aside.

Using the yarn still attached to the ball, secure the cut end of yarn between two of your fingers, take your contrast yarn and wrap it approximately 60 times around your non-dominant hand.

Carefully remove the yarn from your fingers.

Pick up the set-aside yarn and wrap it widthwise around the loops of yarn. Then tie it off tightly.

Cut the loops, being careful not to cut the securing tie. Fluff up the yarn and trim into a pom-pom shape.

### MAKING UP

Sew the pompoms securely to each end of the ties on the hat, to finish. Please see the note about safety for under-threes in the information panel.

## MAKE A SLIPKNOT + YOUR FIRST CAST ON STITCH

1 Twist the yarn into a loop and form a second loop of yarn to pull through the first one.

2 Tighten the first loop into a knot around the second. This will be your first cast on stitch.

## CAST ON – THUMB METHOD + USE THIS FOR A STRETCHY EDGE

1 Twist the yarn into a loop and form a second loop of yarn to pull through the first one.

2 Tighten the first loop into a knot around the second. This will be your first cast on stitch.

3 Wrap the ball end of the yarn anticlockwise around the needle. Push the needle through the loop.

4 Slide the loop off your thumb and tighten both ends. Repeat steps 2-4 for each stitch.

## CAST ON – KNITTED ON METHOD + USE THIS FOR A STRONG, HARDWEARING EDGE

1 With the slipknot on your left needle, insert the right needle from front to back of the loop.

2 Wrap the ball end of the yarn anticlockwise around right needle and then pull this through the loop.

3 Now insert the left needle tip through the front of new loop, dropping it off the right needle.

4 Repeat steps 1-3 as needed, forming new stitches from the top stitch on the left needle.

## CAST OFF + HOW TO FINISH YOUR WORK

1 To begin, knit only the first two stitches in the cast off row.

2 Push the left needle through the first stitch, then lift it over the second stitch and off right needle.

3 With one stitch now on the right needle, knit another stitch and then repeat step 2 until the row end.

4 Cut the yarn with a 15cm or 6in tail. Pull the tail through the final cast off stitch.

## KNIT + WORKED ON THE RIGHT SIDE IN STOCKING STITCH

1 Insert the right needle into the left needle's top stitch, from front to back with the yarn at the back.

2 Hold the yarn around your right index finger and then wrap it clockwise around the right needle.

3 Using the right needle, pull this new loop of yarn through the stitch on the left needle.

4 Ease the stitch off the left needle keeping the new stitch on the right needle. Repeat steps 1-4.

## PURL + WORKED ON THE WRONG SIDE IN STOCKING STITCH

1 Insert the right needle into the front of the left needle's top stitch with the yarn in front.

2 With your right index finger, wrap the yarn anticlockwise around the top of the right needle.

3 Using the right needle, pull this new loop of yarn back through the front of the stitch.

4 Ease the stitch off the left needle, keeping the new stitch on the right. Repeat steps 1-4.

## HOW TO READ KNITTING CHARTS

Knitting charts follow the same rules unless the pattern states otherwise. Right side rows are usually odd numbers and are worked right to left. Wrong side rows are normally even numbers and are worked left to right. Pattern repeats will be contained in an area outlined in red and some charts will have further coloured outlines for different sizes. The key will give you each symbol and tell you what stitch it is.

# Mountain madness

Our art editor Charlene is looking forward to reaching new heights with her knitting

**F**or years my friends tried to persuade me to go skiing with them, but I was always drawn back to the beach. That was until three years ago, when I caved and gave it a try. I am now completely and utterly hooked!

Every year I save up my pennies and in early March I head off to the mountains. So I'm already looking for alpine knits to keep me looking cool but feeling cosy on the slopes. My new objective this year is to make sure I line my hats and mittens with fleece – I made the mistake of not doing it last year, and paid the price. It's fine for British winters – but out on the Alps, it helps to

After a hard day on the slopes, you can afford to indulge, and not worry about fitting comfortably into your knits the next day! The Alpine buttercream frosting on these tasty cupcakes (left, second from top) is exactly the reason I don't give up on the mountains, even when I'm exhausted! The promise of sweet, sugary as rewards keeps me skiing all day long.

And when I'm back home I like to keep constant reminders of my trip around the house. Be it prints, doorstops, cushions – if there's a snowy scene or a hint of tweed, I'll have to have it! 

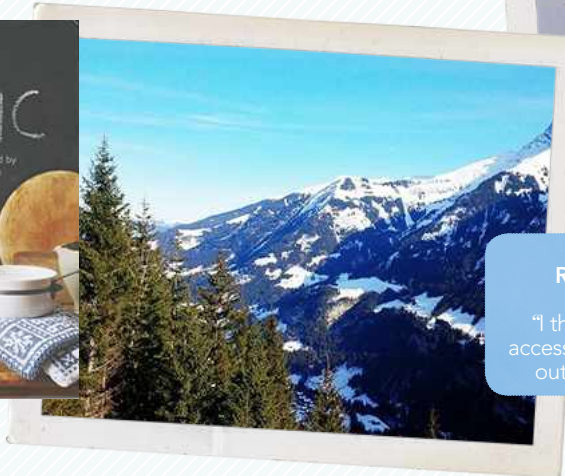

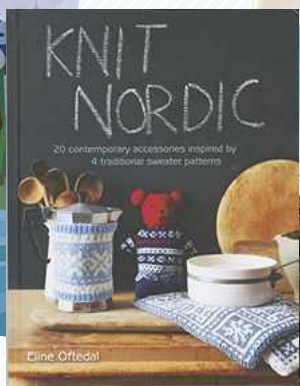

**“Something that always looks good on- or off-piste are pom-poms”**

have the extra layer of protective, warming insulation between you and the elements!

One thing that always looks good on- or off-piste are pom-poms, which is why I love the Jodi Mittens from Rowan's *Nordic Tweed* brochure (£8.50, [www.johnlewis.com](http://www.johnlewis.com)). Teamed with the Svana hooded jacket (top left), they're a winning combination. I love Scandi-style patterns – they're just as striking as Fair Isle, and still have a fun, wintry feel. Nordic knits are such a winning look – and I know my boyfriend will love to snuggle up in Todd Gocken's comfy men's sweater on page 75. I may have to nick it off him though!

**From top left anti-clockwise:**

Svana Hooded Jacket and Jodi Mittens from Rowan's *Nordic Tweed*, £8.50; Alpine cupcakes, [www.city-cupcakes.com](http://www.city-cupcakes.com); pocket notebooks from PygmyCloud on Etsy, £3.50; *Knit Nordic* by Eline Oftedal, £16.99; Nova Babygrow from *Tiny Treasures*, £12; Eat, Ski, Love cushion from [www.barbaracoupe.co.uk](http://www.barbaracoupe.co.uk).
