TROUBLES IN OTARI

Keep playing with the *Beginner Box* rules in this anthology of three adventures set in Otari and the surrounding region. The adventures start at 2nd level, and you can level up characters to 4th level using the rules within!

THE CORE GAME

Check out the books below to jump into the full version of the Pathfinder Roleplaying Game. Any characters you already created with the *Beginner Box* are ready to play!

PLAYER CORE

This mighty tome contains everything a player needs to know to play the game! Create your own character and play from levels 1 to 20. Includes four new classes, the bard, druid, ranger, and witch, alongside new ancestries allowing you to play a goblin, gnome, halfling, leshy, or orc! Find many more class, skills, and magic options, including animal companions and familiars!

GM CORE

A must-have for every Game Master, this book is packed full of useful resources to help you create your own thrilling adventures and tips for running the game. It also includes additional rules and subsystems, like chases and duels, giving you everything you need to customize the game to fit your story!

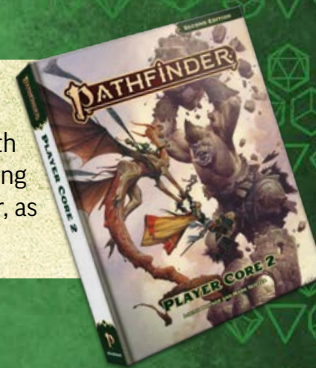

MONSTER CORE

An essential resource for Game Masters, *Monster Core* is brimming with over 400 enemies and allies of all kinds. Inside, you'll find combat statistics and lore for demons, dragons, vampires, genies, giants, and more!

PLAYER CORE 2

Add a wide array of new options for every player at the table with *Player Core 2*! This book contains eight new classes, including the alchemist, barbarian, champion, monk, and swashbuckler, as well as new ancestries, spells, feats, and alchemical items!
