

PATHFINDER **CARDS**

OUT OF THE MINE

Find a way out of the mine other than the main entrance by which you went into the facility, both to dig deeper into your investigation and to provide a means of escape should you have need to flee in a hurry.

WARDENS OF THE REBORN FORGE

54 Full-Color Campaign Cards
for any fantasy roleplaying game

SABOTAGE!

The renegade Brass Guardians have been tampered with, but how and by whom remains a mystery. It falls to you to uncover who has been sabotaging the clockworks and by what methods.

ILLUS: MATTHEW SHARBRICK
© 2013 PZCZ

EVIDENCE OF TREASON

Eliza Baratella suspects an influential Alkenstar insider is behind the Brass Guardians' recent erratic and dangerous behavior, and has tasked you with uncovering irrefutable evidence against the plot's mastermind.

ILLUS: PHILIP PUGGIONI
© 2013 PZCZ

INTO THE KARGGAT MINE

Eliza Baratella wants you to discover the cause of the recent strange behavior exhibited by Alkenstar's clockwork Brass Guardians, which she has traced to the long-abandoned Karggat Mine northwest of the city.

ILLUS: MARK MOLNAR
© 2013 PZCZ

THE ALCHEMIST'S ADDICTION

The ratfolk alchemist Habblegash is afflicted both by his mutations and an addiction to his narcotic creation, crush. Aid him in overcoming the latter, so that he may find some cure for the former while not added by drugs.

ILLUS: PHILIP PUGGIONI
© 2013 PZCZ

INTO THE DEPTHS

The Karggat Mine is divided into two primary levels of tunnels. Find a reliable passage to the deepest levels of the mines to ensure your investigation of the facility is as thorough as possible.

ILLUS: MARK MOLNAR
© 2013 PZCZ

MISSING MINERS

Evidence in the Karggat Mine indicates that a number of miners went missing while the facility was last in operation. Discover their fates in the course of your exploration of the abandoned tunnels.

ILLUS: MARK MOLNAR
© 2013 PZCZ

ARVANOR'S FATE

Eliza Baratella's assistant, Arvanor, has gone missing after reporting the suspicious activity at the Karggat Mines. Eliza has asked you to rescue him if he's alive, and recover his remains if he isn't.

DANGEROUS MATERIALS

The Karggat Mine's lower level is rife with a strange, unidentified mineral. Discover the properties of this exotic material if you can, and determine if it has something to do with the Brass Guardians' erratic behavior.

ILLUS. MARK MOLNAR
© 2013 PAZIO

REPAIRED TECHNOLOGY

After years of disuse and apparent sabotage, the mechanical winch granting access to the mine's lower levels lies in shambles. If you repair it, the winch could certainly provide useful in your exploration efforts.

ILLUS. PAOLO PUSSIGNI
© 2013 PAZIO

THE MINER'S VAULT

When the workers who scoured the Karggat Mine for valuable ores abandoned the facility, they left behind many personal effects, including a well-made dwarven safe. Discover what contents still lie within.

ILLUS. PAOLO PUSSIGNI
© 2013 PAZIO

THE GUG THREAT

The gugs of the Karggat Mine's upper level make travel through the otherwise abandoned facility dangerous. Ensure they no longer pose a threat to you or to those who come after you.

ILLUS. MATTHEW STARBUCK
© 2013 PAZIO

A CONSPIRACY ENDED

With evidence in hand, all that remains to put an end to the foul plot to turn Alkenstar's Brass Guardians against its citizens is to confront the mastermind behind the plan and see that justice served, whatever the means.

ILLUS. MATTHEW STARBUCK
© 2013 PAZIO

STOP THE MACHINES

It's clear that the ancient dwarven factory of Megator Facient is the center of operations for those sabotaging the Brass Guardians. Shut down the facility so that the clockworks of Alkenstar can return to normal.

ILLUS. MARK MOLNAR
© 2013 PAZIO

PRISONERS OF MUTHLOK COLONY

Enslaved mutants from the Muthlok Colony make up the labor force for the operation currently underway in the Karggat Mine. Help the slaves escape their cruel masters and once again enjoy freedom.

ILLUS. MATTHEW STARBUCK
