## HOW TO READ A WOOBLES PATTERN

For round 3, repeat the pattern in the brackets 6 times. The pattern is: single crochet in 1 stitch, then increase stitch in the next stitch. Because an increase is actually 2 single crochet stitches in the same stitch of the previous round, the total number of stitches in this round is 18.

## ABBREVIATIONS

This pattern is written in US terminology, and crocheted in continuous rounds. Watch video tutorials at [thewoobles.com/tutorials](https://thewoobles.com/tutorials)

<b>ch</b>	chain

# PATTERN

## HEAD & BODY

With blue yarn.

- Rnd 1.** start 4 sc in a magic loop (4)
- Rnd 2.** 4 inc (8)
- Rnd 3.** [sc, inc] x 4 (12)
- Rnd 4.** [2 sc, inc] x 4 (16)
- Rnds 5-6.** 16 sc (16)
- Rnd 7.** [3 sc, inc] x 4 (20)
- Rnd 8.** [2 sc, dec] x 5 (15)

Stuff the body. If you're making this with the kit, cut a forearm's length of yellow yarn to use for the beak and set it aside. Then use the rest of the yellow yarn to stuff the body.

- Rnd 9.** [sc, dec] x 5 (10)
- Rnd 10.** 5 dec (5)

Fasten off leaving a long tail. Thread a needle with the tail; then use it to pull the yarn tail through the front loops of each stitch. Pull tight to close the remaining gap.

## BELLY

With white yarn.

- Rnd 1.** start 4 sc in a magic loop (4)
- Rnd 2.** 4 inc (8)

Invisible fasten off with a long tail. Thread a needle with the yarn tail and use it to sew the belly onto the body, spanning rounds 6 to 8.

## BEAK

With yellow yarn.

Embroider a horizontal line centered right above the belly:

### Step 1.

Thread a needle with an arm's length of yarn. Insert the needle into the body and pull it out between rounds 5 and 6, right above and a little to the left of the center of the belly. Leave at least a 4-inch yarn tail.

### Step 2.

Insert the needle back into the body, one stitch over. Pull the needle out of the piece through the same hole it originally went in, so that both yarn tails are coming out of the same hole. Tie a knot with both tails and hide them.

## EYES

With black yarn.

### Step 1.

Thread a needle with an arm's length of yarn. Insert the needle somewhere on the body, and pull it out between rounds 4 and 5, one stitch to the right of the beak. Leave a 6-inch yarn tail.

### Step 2.

Insert the needle one round below where it just came out, and pull it out between rounds 4 and 5, one stitch to the left of the beak.

### Step 3.

Insert the needle one round below where it just came out, and pull it out the same place where it originally went into the piece.

Tie a knot with both yarn tails and hide them.

## WINGS

With blue yarn (make two).

Repeat the following steps on each side to create two wings:

### Step 1.

Sl st join the yarn to one side of the body between rounds 6 and 7, three stitches away from the belly. Insert the hook from the back to the front of the body.

### Step 2.

Ch 1, sc in the same spot as the sl st join.

### Step 3.

Sc into the next hole, one stitch closer to the belly.

### Step 4.

Ch 1 and turn, sc, sl st.

### Step 5.

Fasten off and hide the yarn tails.
