PARK RULES

- Stay only where the humans roam. Venturing into prohibited areas is highly dangerous.
- Respect the birds. Do not feed or tease them.
- Just as you hate your hair being pulled, please refrain from plucking their feathers.
- Please do not blind the birds with flash photography.
- You may be filmed, videotaped or photographed by Jurong Bird Park representatives during your visit. Your admission to the park serves as permission to use your image.
- Without official permission from Jurong Bird Park, commercial use of videotaped/filmed footage and photos are strictly prohibited.

The park was designed in an area with natural slopes and hills which provide some barriers to disabled access. The park makes a concerted effort to remove these barriers where feasible.
