### Safety Tips in the Night Safari!

1. Watch out for your kids lest they find their way to a lion's den!
2. Do not stampede, only elephants do!
3. On rides, stay seated and keep every part of your body within vehicle.
4. Venturing beyond prohibited areas is highly dangerous!
5. Respect the animals. Do not tease or feed them with your food!
6. Please do not blind the creatures of the night with flash photography!
7. The park is smoke free. Help us make our planet, animals and ourselves healthy.
