Feel like getting high?

Catch panoramic views across Singapore, Sentosa and the Southern Islands from Asia's tallest free standing observation tower. Day or night, views from the tower promise to be both scenic and breathtaking as it gently revolves to a height of 131 metres above sea level. Spot Indonesia and Malaysia in the horizon, as you scan the skies for birds and planes streaking across the brilliant blue sky. Suitable for all ages, this seven-minute ride gives you probably the best view of Singapore.

Located adjacent to the Cable Car Station on Sentosa, the Carlsberg Sky Tower gives you a bird's eye view of the Singapore Skyline, Sentosa, the Southern Islands and even Malaysia and Indonesia.
