

Snakes and Portals

Rules

2 - 4 players

Each player chooses a Guinea Pig and places it on the start square.

Take turns to roll the Dice and move that number of squares.

If you land on a snakes head move to the bottom of the snake.

If you land on a Portal In you move up to the connected Portal Out.

First player to the golden hedgehog wins!

Snakes and Portals

To play you will need:

A printer

This is a real game, none of that silly Nintendostation 360 business!
You will need to print out these 2 pages in order to play the game.

A Die

Hopefully you have a die in your house to use for rolling numbers.
You can find one of these in popular boardgames such as Monopoly or Risk.

Player Counters

Each player must have a Guinea Pig to show their position on the game board.

(extra pigs in case you mess up!)

Cut these out and fold along the
dotted lines,
so the pieces will stand up.

Alternatively you could just cut
out a square along the folds for
a simpler design.
