

Recipe: Mint Swirls

Ingredients: Mint-chocolate sandwich cookie
white cookie icing, red icing

Instructions: Dress up a cookie with a holiday design. Cover the
top of a mint-chocolate sandwich cookie with white cookie icing.
Before the white icing sets, squeeze a dot of red icing into the
center. Starting in the red dot, drag a toothpick through the icing
to the edge of the cookie. Repeat all around the dot to make a
swirl. Let set.
