

Joke Picture Legs

check list:

1. 2 recycled chopsticks
2. fabric
3. white glue
4. masking tape
5. pipe cleaners
6. twist ties

Before you begin this make, you'll need a picture of someone you want to play the joke on. You can paint or draw the picture yourself, or you can find a portrait of them. You'll also need to paint or draw a joke picture. The picture may be of hairy legs, fins, or whatever you want it to be.

These instructions will help you put it all together, and play a fun joke on someone.

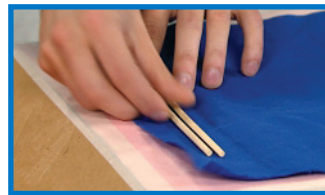

1

Use scissors to cut a piece of fabric that is the same size as your joke picture.

2

Glue the joke picture on the fabric and let the glue dry.

3

Once the glue is dry, flip the fabric over and place two chopsticks at the bottom of the fabric.

4

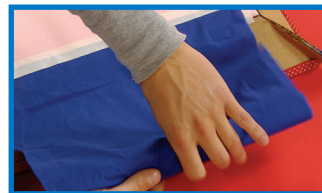

Fold the fabric over the chopsticks and tape the fabric. This will add weight so your joke picture will fall quickly.

5

Tape the back of the joke picture to the back of the portrait picture. Make sure that both pictures are facing the right way!

6

Roll up the joke picture and tape it on the side so it doesn't roll down.

7

Make a loop with a twist tie and twist it a couple of times to secure it. Tape the loop right to the picture.

Twist two pipe cleaners into loops, and tape them onto the rolled picture. Make sure they aren't too far apart because you'll be putting a pencil through them.

8

Slide the pencil through all three loops (the two twist tie loops on the fabric, and the one wire loop on the portrait). This will act as a lock!

9

Now test it! When you pull the pencil out – surprise! The joke picture will fall down.

10

11

Roll up the picture and hang it on the wall. Tee-hee! When you're ready to reveal the fun part of your picture (the hairy legs), you know what to do!

The laughter never stops with Artzooka joke picture legs! We'd love to see your creations.
