1

Start by writing your initial in the middle of the paper with a pencil. Make it big.

2

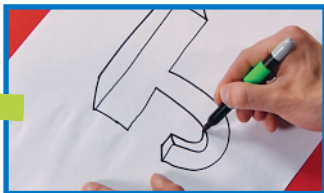

Turn it into a block letter by drawing around your initial.

3

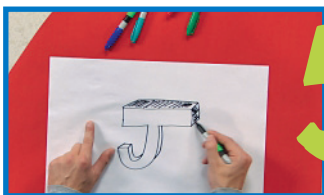

Erase the inside letter.

4

Extend the lines of your letter to give it a 3D effect.

5

Shade in the extra lines. This will make the letter pop right off the page.

Here's a chart of a 3D alphabet to help you know how to extend the lines:

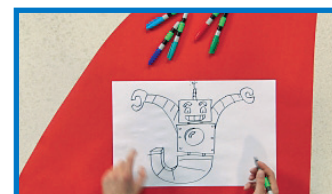

### Use your initial to draw a character:

Another fun way to Artzooka your initial is to turn it into something else: a creature, a character, a vehicle...anything you want.

There are lots of different ways you can do this. Let your imagination go wild as you Artzooka your initial. **Here are some tips:**

Start by drawing your initial. Then add a face, legs and arms to turn it into a creature. Or, add wheels to turn it into some sort of vehicle. The possibilities are endless.

Here's an example for the letter "J"
