# 1

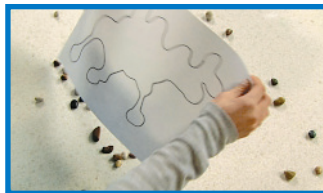

Toss a handful of rocks onto a blank sheet of paper.

# 2

Use your pencil to trace an outline around the rocks.

# 3

When you're finished drawing the outline, take the rocks off of the paper and look at your drawing. What do you see?

# 4

Now add details to your drawing. If your outline needs a face, add a face. If you think your outline needs a couple of trees, add trees. It's really all about what you see. Every creation will be unique! That's what makes it Artzooka!

so, if you're ever stuck wondering what to draw, let a handful of rocks help you out. **Just remember to rock n' roll with Artzooka!!**
