

Air Show Rules

- Prior to flight, each pilot must present their licences to Ground Control.
- One group on the line at a time.
- No person may stand in the way of your flight path – If there is someone there, you may not launch.
- If you are not launching, you must stand at least one metre back from the launch line. Your hanger is a better place to wait.
- Each person is allowed one launch at a time – wait for the "Retrieve" command to get your plane back.

Flight Line Commands

PRIOR TO LAUNCH

Pilots – "Request permission to launch"

Ground Control – "Zone clear?"

Pilots – "Zone clear"

Ground Control – "Launch"

PRIOR TO RETRIEVE

Pilots – "Request permission to retrieve"

Ground Control – "Zone clear?"

Pilots – "Zone clear"

Ground Control – "Retrieve"

- When you have retrieved your plane, return to your hanger.
- NEVER fly a plane outside of the Flight Zone.

Violation of any of the above rules will result in a suspension/loss of your pilot's licence.
