PLANET HEROES™

VOLUME 1

ACE IN SPACE

ON A PLAYGROUND SOMEWHERE ON EARTH...

**...AN AVERAGE 10-YEAR-OLD BOY
NAMED ACE RECEIVES A SIGNAL.**

MEANWHILE, IN A MORE REMOTE
PART OF THE GALAXY...

WE HAVE A SOLAR
SYSTEM TO DESTROY!
AND ONCE THIS NEGATRONIC
CLOUD IS IN POSITION...IT'S THE
BEGINNING OF THE END!

ACE AND THE REST OF THE PLANET HEROES ASSEMBLE TO HEAR ABOUT THEIR ARCH ENEMY, BLACK HOLE, ALSO KNOWN AS PROFESSOR DARKNESS, AND HIS LATEST PLAN TO ELIMINATE THE SOLAR SYSTEM...

THIS NEGATRONIC
CLOUD WILL DRAW ITS
POWER FROM THE SUN...
REACHING TEMPERATURES
CRITICAL ENOUGH TO CAUSE
A VORTEX OF INTENSE
HEAT & MASS!

THAT CAN'T BE GOOD.

THE PLANET HEROES MISSION:

WIPE OUT THAT CLOUD BEFORE
IT WIPES OUT THE SOLAR SYSTEM!

DAZ
VENUS

LET'S
BLAST IT!

ZIP
MERCURY

DIGGER
MARS

ACE
EARTH

GUSTUS
JUPITER

A NEGATRONIC CLOUD WILL
SIMPLY ABSORB THE HEAT FROM
TORPEDOES & BLAST RAYS AND
BECOME STRONGER...

IF HEAT
MAKES THE
CLOUD STRONGER,
THEN COLD WILL
WEAKEN IT.

SO... LET'S
FREEZE IT WITH
PLUTERIUM—THE
COLDEST ELEMENT
IN THE GALAXY!

SHIVER
PLUTO

TUNE
NEPTUNE

YURI
URANUS

RINGS
SATURN

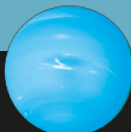

WHERE CAN
WE FIND THIS
PLUTERIUM?

Saturn

Uranus

Neptune

Pluto

THE HEROES HEAD TO PLUTO TO DIG FOR PLUTERIUM...

BLACK HOLE
HAS SENT HIS
SUPER-STRONG
SIDEKICK
ASTEROID
"TINY"TM TO
"SHAKE THINGS
UP" A BIT...

DAZ BLASTS THEM OUT OF THE MOUNTAIN...

...WITH THE PLUTERIUM THEY NEED!

**PROFESSOR DARKNESS
WATCHES OUR HEROES...**

**SO...THOSE
PLANET WEIRDOES THINK THEY
CAN DESTROY MY NEGATRONIC CLOUD
WITH A LITTLE PLUTERIUM, EH? WELL,
NOT BEFORE I'VE WIPED THEM OUT!
AFTER THEM!**

Whhoosh!

Kapow!

Blast!

Vvvvzzzzt!

SHIVER HEADS
TOWARD THE
NEGATRONIC
CLOUD,
PLUTERIUM
IN HAND...

OOPS!
OH NO!

...OR NOT!

HMMM...
LOOKS
LIKE
GUSTUS
HAS AN
IDEA.

SO WHILE GUSTUS HAS PROFESSOR DARKNESS
AND HIS MINIONS' HEADS SPINNING...

TUNE TAKES AIM & BLOWS THE NEGATRONIC CLOUD RIGHT INTO THE FALLING PLUTERIUM!
MISSION ACCOMPLISHED!
