

FRED FLINTSTONE T-SHIRT STENCIL

USE THIS STENCIL TO CREATE A ROCKIN' TEE THAT LOOKS JUST LIKE **FRED** TIE AND STONE AGE SHIRT! WHAT YOU'LL NEED: SMALL PAINT BRUSHES, BLACK AND LIGHT BLUE FABRIC PAINTS (WASHING MACHINE SAFE), PENCIL, CARDBOARD, CRAFT KNIFE (USE UNDER ADULT SUPERVISION), TAPE AND ONE ORANGE, PLAIN TEE.

1 Print out this stencil and carefully cut out and remove all of the black shapes using a craft knife (under adult supervision).

2 Place a piece of cardboard inside a plain, orange colored tee and smooth the fabric flat. Make sure your tee is facing front!

3 Place the stencil on your tee where you would like the design to appear and use clear tape to hold it in place. Lightly trace all of the shapes in pencil.

4 Remove the stencil and tape. Fill in the shapes using the black and blue fabric paints to finish your design. When dry, remove the cardboard. Rock your new tee at school or anywhere you want to be stylin'!
