

Shoe Box Town

You will need:

- Boxes of various sizes (shoe boxes, cereal boxes, etc.)
- Markers
- Glue
- Craft or coloured paper
- Blocks

Help your child decorate several different boxes to look like various buildings in your neighbourhood or in Sunflower Valley. Start by gluing craft or coloured paper to the boxes. Use markers to draw windows and doors and to decorate the boxes to make them look like buildings. Decorate buildings to look like Bob's house, Wendy's Caravan or Meg's Dairy Farm. Use wooden blocks to create roads and sidewalks. Children will have fun using their imaginations while playing in the town they've created!
