BHARAT IMPEX 
Manufacturers, Importers & Exporters of C.P. Bathroom Fittings & Accessories

About us

Bharat Impex was founded way back in the year 1986 with a vision to provide its buyers high-quality products at competitive prices & to become leading manufacturer & exporter of C.P. bathroom fittings & accessories.

The company is comprises of dedicated professionals/directors having vast experience of over 40 years of this industry.

The company is 100% export oriented unit. Over the years it has grown immensely in size & volumes and carved a niche for its products across the globe. Today we boast of exporting to over 40 countries including Middle East, Far East, Europe, Africa & Caribbean Islands and enjoy a sizeable share of the market.

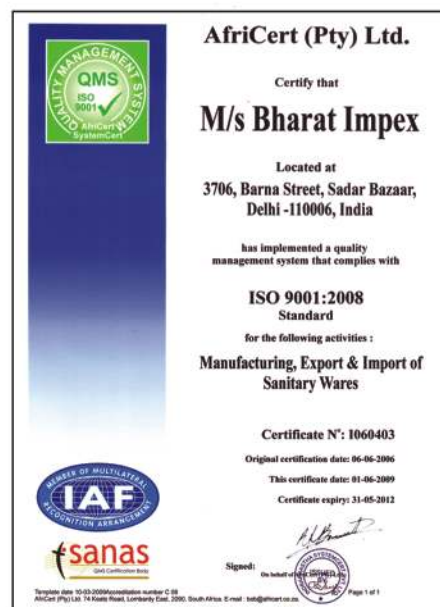

We are An ISO 9001:2008 Certified company. We have 20 established brands available in different countries. We also make brands according to client specifications.

The company owns state-of-the-art production units fully loaded with latest, advanced machines, dedicated skilled labour and professionals in the management.

The product we manufacture is a perfect blend of aesthetics and functionalism. We almost cover complete spectrum of C.P. bathroom fittings and accessories. The product range shown in this catalogue is available in high & medium quality. We can deliver this range of products on a very low cost & competitive prices. Material used in this quality has been imported from European countries like Belgium however specification can be changed as per client requirement which can vary from 54% - 58% and in chrome plating it can be from 10-12 microns.

Our production capacities have increased significantly over the years. Today we produce more than 1200 tons of material. To deliver our buyers goods on time we have a team of dedicated & experienced people who manage the affairs of shipping to ensure on time delivery.

Our elegantly designed & printed packaging boxes are as per Europeans Standards. The material is packed so meticulously that no breakage of material can take place.
