

THE **HAPPY CHRISTMAS** SONG

Let's hang the holly up high,
and put the lights on the tree.

Here's a stocking for you
and a stocking for me.

It's the time of the year to ring in the new,
with a song full of cheer, Happy Christmas to you!!

Happy Christmas, Happy Christmas, Happy Christmas to you.
May your Christmas be a Christmas, all your wishes come true.
You're a fine one, you're a dandy, you're a cock-a-doodle-doo
Happy Christmas, Happy Christmas, Happy Christmas to you.

Put a log on the fire,
light a candle or three.

Gather old friends around
and don't forget me!

It's the time of the year for sharing our love
All the angels in heaven are singing above,
singing above, singing above!

Happy Christmas, Happy Christmas, Happy Christmas to you.
May your Christmas be a Christmas, all your wishes come true.
You're a fine one, you're a dandy, you're a cock-a-doodle-doo
Happy Christmas, Happy Christmas, Happy Christmas to you.

(Repeat)
