

How much have you Learnt?

Best Evidence (1)

**Archaeologists need to be sure!**

How did they know this cabin belonged to the barber-surgeon?

Was it

- a) Because a comb and a razor were found in there
- b) Because it was a good place in the ship
- c) Because the chest of medicines and ointments was found there
- d) Because the barber-surgeon's special coif (hat) was in there

Choose the fact that **you think** gives the **best** evidence. Do other people agree?
