

Welcome to

Latchmere School

On behalf of my team, I would like to thank you for your interest in our school. Latchmere is a school with many unique features. We strive to give our children the most exciting, stimulating and enjoyable curriculum possible. We believe that by providing children with a wide range of experiences both in and out of the classroom we respond to their intellectual, social, emotional and physical needs.

Children are our investment for the future and we owe each one the best start we can give. We want them to enjoy their childhood and grow into confident adults with the skills and knowledge to take on all the challenges that are ahead.

As staff and Governors, we value our relationships. We view working together in partnership as fundamental to the successful education of children. We feel it is important that you fully understand our aims and priorities, and they are all included in our prospectus. More information about the curriculum, children's health and well-being and school management is available for parents in school policies or from the Department for Education (www.education.gov.uk).

The vision for our school is one of constant self-evaluation and improvement. Our aim is to realise individual potential within a caring, supportive and secure school environment, led by a skilled and effective team of staff and Governors.

We look forward to welcoming you to our school.
